

Mulberry Glen's 15th Anniversary; City Proclaimed July 23rd 2010 as *Mulberry Glen Day*

In celebration of **Mulberry Glen's** 15th year anniversary, the City of Whitewater proclaimed July 23rd 2010 as **Mulberry Glen Day**. The facility was built on land owned by St. Patrick Catholic Parish. In June of 1995, construction was complete and residents began to move into the Senior Living Community. Four of the original residents still call Mulberry Glen home.

The celebration began with wine and cheese from Whitewater's own Staller Estate Winery followed by a catered dinner and anniversary cake. The residents and staff then enjoyed a slideshow presentation titled *Mulberry Glen, 15 Years in Review*. After dessert, City Manager, Kevin Brunner, read the Proclamation and Mulberry Glen resident of 15 years, Rose Derge, accepted it from Common Council Member, Jim Stewart.
