ACTIVE AGING SYMPOSIUM

June 10, 2026

CELEBRATE ACTIVE AGING!

Capri's Enjoy Life Symposium is a free, one-day event held annually in June—created to celebrate active aging and inspire older adults to get involved, try new things and live life to the fullest—whatever that means to them. It's a day filled with positivity, learning and laughter, where old friends reconnect and new friendships are formed. From inspiring speakers and engaging exhibitors to educational seminars and fun, hands-on activities—there's something for everyone!

Who Attends:

This free event welcomes adults 55+—the fastest-growing population segment in the U.S. and responsible for more than half of all consumer spending. In 2025, we hosted over 1,100 registered attendees with an average age of 71—a 33% increase over 2024—and we're aiming to double that number in 2026! No matter their age or interests, attendees are sure to laugh, learn and leave inspired.

Why Sponsor or Exhibit:

Participation in the Enjoy Life Symposium is a chance to connect with older adults in a positive and meaningful way. Many older adults 55+ have more time on their hands and are curious, engaged and eager to explore new opportunities. Sponsors are encouraged to enjoy life alongside our attendees—creating authentic, face-to-face connections that no email or phone call can replicate.

Exhibitors have been the most visited and enjoyed part of the Enjoy Life Active Aging Symposium for the past three years. In post-event surveys, attendees consistently cite the diverse range of exhibitors as one of their favorite features. Having exhibitors on hand to engage with older adults across Enjoy Life themes—Health & Wellness, Learning, Community and Adventure—is what makes this uplifting event truly special.

enjoy life with us!
